

SAFETY DATA SHEET
acc. to Regulation (EC) 1907/2006, Article 31

B.I.G.

Edition: **3**
Date: **1/3/24**
Revision of:

1. Identification of the Substance/Preparation and of the Company/Undertaking

Product name: B.I.G.
Quality: (See Chapter 16)

Application of the Substance/Preparation:
*To be used as an etching ground for
Intaglio printmaking*

Manufacturer: Trefeglwys Printmakers
Trefeglwys
Powys SY17 5ph

Information:
Tel: +44 1686 430623
Fax:
E-mail: atb@aber.ac.uk
Contact: Andrew Baldwin

2. Hazards Identification

Classification: *The Mixtures, as mentioned in Chapter 16 are **not** classified as dangerous according to Directive 67/548/EEC and 1999/45/EC and their amendments.*

Hazards to Human Health: Can cause skin and eye irritation.
Inhalation: -
Contact with Skin: Prolonged contact may cause irritation.
Contact with Eyes: Direct contact can cause irritation.
Swallowing: -

Hazards to the Environment: Not likely when professionally used. Do not allow material to enter drains or water courses.

3. Composition/Information on Ingredients

Chemical Description: Mixture of Organic and/or Anorganic Pigments and Carbon Black; (Synthetic) Resins; Vegetable - and/or Mineral Oils and additives.

Dangerous Components: None.
Mineral Oils are not classified as dangerous according to Directive 67/548/EEC, Annex 1: note H,L or H,N

Additional Information: 1. Explanation of Note H,L and H,N: See chapter 16.

4. First-Aid Measures

General Directions: Remove all contaminated clothing.
In case of Inhalation: -
In case of contact with Skin: Wash with water and soap.
In case of contact with Eyes: Flush eye(s) with plenty of water for at least 15 minutes. If irritation persist, seek medical attention.
In case of Swallowing: Wash out mouth. Do not stimulate vomiting. Seek medical attention.

5. Fire-Fighting Measures

Suitable Extinguishing Media: Dry and foam agents, Carbon dioxide (CO₂), water mist.
Non-Suitable Extinguishing Media: Water Jet.

Special exposure hazards:

1. Exposure to decomposition products can damage health.
2. Special breathing equipment is preferable.
3. May form heavy smoke when heated.
4. Cool containers exposed to flames with water until well after the fire is out.

Additional Information: Keep run-off water out of sewers and water sources.

6. Accidental Release Measures

Personal precautions: Ventilate the area when using the product. Wear adequate handgloves.

Environmental precautions: Run off or release to sewer, waterway or ground is forbidden.

Methods for cleaning up:

1. Sweep or scrape up and collect the material into appropriate, labelled containers.
2. Do not use solvents to clean up.
3. Always use biodegradable cleaning agents, if necessary.
